

ANNEX D- Duty

A. Duty

1. Authorization for Wear: The cadet duty uniform is authorized for year-round wear by all members of the Corps of Cadets. The duty uniform, with authorized variations, will be worn on duty, for class and other functions as directed. It is not for off campus wear unless authorized.
2. Fit:
 - i. Duty Trousers are to be fitted and worn with the lower edge of the waistband at the tip of the hipbone, plus or minus ½ inch. They are worn with the black web belt. The front crease of the trousers breach the top of the instep and will be cut on a diagonal line to reach the point approximately midway between the top of the heel and the top of the standard shoe in the back. The trousers may have a slight break in the front.
 - ii. Shirt stays should be utilized to present a neat appearance. The belt is wrapped around the waist in front with the right side of the buckle aligned with the seam of the uniform shirt and trouser fly seam. The brass tip of the belt should be flush with the end of the buckle where it meets the end of the belt.
3. Composition:
 - i. Gray short sleeve shirt.
 - ii. White crew neck undershirt.

 - a. Proper wear: The garrison cap is worn with the front vertical crease of the cap centered on the forehead in a straight line with the nose, with the front lower portion of the cap approximately 1 inch above the eyebrows (approximately the width of the first two fingers). The cap is placed on the head in such a manner that the front and rear vertical creases and the top edge of the crown form unbroken lines in silhouette, and so the ridge of the cap is parallel to the ground while standing at attention. Personnel will not crush or shape the crown of the cap to form peaks at the top front or top rear of the cap.
 - b. The garrison cap should be brushed regularly to remove dirt and lint.
 - c. Insignia:
